

NIFTY 500

Stock Market Analytics Dashboard

(1996–2025)

The NIFTY 500 Story

The NIFTY 500 is India's ultimate stock market scoreboard—tracking the top 500 companies that power our economy. Since 1996, when India first opened its doors to the world, this index has witnessed an incredible transformation:

small tech startups became giants like Infosys and TCS, family businesses grew into empires like Reliance, and entirely new industries were born. This dashboard is your time machine and treasure map combined. Want to know which stocks turned ₹1 lakh into ₹1 crore? Which sectors dominated each decade? Which companies survived every storm? It's all here. This isn't just data—it's 30 years of dreams, risks, and victories that built modern
